MEMORANDUM FOR: SOF  
SUBJECT: JBFANCY

DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCES/METHODS/EXEMPTION 302B  
NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. In reply to your verbal query whether JBFANCY (the printing and distribution of the Hungarian newspaper, "Magyar Kommunista") required a project outline, our reply is that it does not, since it is neither a project nor a sub-project, but an activity under QD/DEMON.

2. In support, we cite the following statements from the project outline of QD/DEMON:

a. Paragraph C-1 (a): "Operational implements authorized for this project are: black publications...ostensibly originating with a source other than the actual."

b. Paragraph D-5: "...the project...will undertake or support operations in the following geographic areas: Hungary, ...."

c. Paragraph G-4: "...individual items of propaganda will be cleared with the Home Office...." (The activity of JBFANCY was cleared in dispatch HCN-A-74, of 14 February 1949.)

3. No separate allocation of funds for JBFANCY is necessary, since it is covered by QD/DEMON budget.

4. The outline plan for QD/DEMON lists C as Plans Officer. Therefore, C is also Plans Officer for JBFANCY.

This document is part of an integrated file. If separated from the file it must be subjected to individual systematic review.
